Class Session Fee: \$400 + GST per 10-week session (may be paid 3 x \$133.33 + GST)

Costume Fee: TBA, please budget \$100. Often the costume costs less, but please budget this amount for base costume.

***NEW: Film Performance Fee:** \$100 per dancer.

For the past 2 years, we have created a dance film to finish our choreography projects. If the group performs for filming purposes, (in a theatre or at another location) a performance fee of \$100 per dancer will be charged to help offset film costs. The *Film Performance Fee* will be invoiced on March 31 should we proceed with a dance film project, TBA.

Additional Time Commitment: This class may be involved in a film or other performance experience. Should this be the case, dancers may be required to attend rehearsal or film shoots outside of class time (usually in the spring). Please discuss this with your teacher should you have questions about time commitments.
